SUMMARY

Dynamic and proficient in Html, CSS, Bootstrap, JavaScript, React.js and MySQL. As a Fresh graduate with strong problem-solving skills and a passion for continuous learning .Eager to contribute to collaborative software development projects and drive innovation in the field.

PROJECTS

Portfolio

- Created a responsive design using HTML, CSS, and JavaScript for seamless multi-device compatibility.
- Highlighted various projects with detailed descriptions to demonstrate expertise in frontend and server-side technologies.

Sun NXT Clone - Responsive Web UI Development

- Developed a responsive web clone of sun nxt using HTML and CSS. Focused on recreating the layout and design to mimic the original site.
- Utilized CSS Flex box for structuring the webpage and managing responsive design. Replicated the sun nxt homepage layout with functional navigation menus, grid-based movie previews, and hover effects, enhancing the visual appeal and interactivity of the site.
- Implemented clean and maintainable code by following best practices in CSS ensuring the site is optimized for fast loading and cross-browser compatibility.

Employee Performance Analytics Dashboard

- This project addresses the need to improve HR processes and optimize employee evaluation methods by creating an advanced HR and Employee evaluation Dashboard.
- This Dashboard, build with Power Bi Tool and Powerful Data Analysis Expressions (DAX) functionalities for Transforming the data .Implemented a user-friendly dashboard to display and manage employee details seamlessly.

INTERNSHIP

- I successfully completed a 6-month Front End Development internship at Besant Technologies. During this period, I gained hands-on experience in building Web Development using technologies such as Html , CSS , Bootstrap , JavaScript and React.js.

- I successfully completed a 1-month Data Analytics internship at TANSAM powered by Siemens. During this period, I obtained hands-on experience in Data analytics related projects by using Power Bi tool.

SKILLS

Front-End: HTML, CSS, Bootstrap ,JavaScript,React.js
Database: MySQL
Tools: MySQL Workbench and Visual Studio Code
Git Version: GitHub

CERTIFICATIONS

- Front End Development.
- Successfully completed the NPTEL online course on Stress Management with a consolidated score of 82%, earning a silver medal. Gained a deep understanding of stress identification, coping strategies, and effective stress management techniques.
- Successfully completed the NPTEL course on Emotional Intelligence under AICTE with a consolidated score of 72%.Acquired a comprehensive understanding of emotional intelligence, including self-awareness, emotional regulation, and interpersonal relationship management.

EDUCATION

Master of Computer Applications   **June 2022 - May 2024**

Holy Cross College, Tiruchirappalli

CGPA: 8.12

Bachelor of Computer Applications   **June 2019 - May 2022**

Holy Cross College, Tiruchirappalli

CGPA: 8.15

PAPER PUBLICATIONS

Gender Inequality Against Girl Child   **March-2024**

Published a paper on National Level Conference on Girl Child day
